

Initial Build Notes

Creative Director: Ray Xia

Designer/Developer: Bella Pearce

- Notes:
 - Nice job on the nav bar. Clear information displayed. Maybe hover state?
 - Right now the contrast between body and label text is not too distinct – maybe try a different typeface? Font weight? Font size?
- TODOs:
 - Have hover state for most images
 - Try hamburger menu
 - Use ul to implement columns
 - Clicking on image will jump to a section of another page
